

Temporary Pool Closure: Contamination, Weather & Electrical Outage

Pool Contamination: The staff will close the affected pool while following CA Code of Regulations Title 22: Chapter 20 for Swimming Pools with contamination response that will last 30-50 minutes.

Weather: Should severe weather threaten the safety of guests and staff or restrict trained lifeguards from clearly seeing the bottom of the pool during scheduled program hours, the pools will be closed for a minimum of 30 minutes and will reopen when deemed safe to operate by the lifeguards on duty.

Electrical Outage: In the event of a blackout, the pool will be closed until electricity is reestablished and filtration and chemical systems are confirmed to be operational.
